### Drop/Withdrawal Procedure

During the first week of classes, students are allowed to adjust their course schedule. During this period, a student can drop courses online through the BRCC website. Dropped courses are removed from the student's academic schedule for that semester and will not appear on the student's transcript. **Refunds for dropped courses are based on the school's current refund policy (refer to the Academic Calendar on the BRCC website for dates and refund percentages).** Students who do not attend a class during the first 14 days of the semester may be removed from the course. After the add/drop period, course schedules become fixed; from this point, each course on a student's schedule is considered attempted. **After the add/drop period, students can withdraw from a course before the deadline published in the Academic Calendar for that semester.** Unlike drops, withdrawals occur after a valid attempt by a student to complete a course – therefore, courses which a student successfully withdraws from are shown on the **student's transcript, with a letter grade of "W"** for those courses. Students must perform the proper procedure to withdraw from a course – they should never simply stop attending class. A student can withdraw from a course by accessing their student account online. No late withdrawals are allowed – students who do not officially withdraw from a class before the deadline published in the Academic Calendar will remain on the course roster and **be given the grade earned for that class, which will appear on the student's transcript.**

When considering dropping/withdrawing from the course, students should consult with the professor/instructor and school's Dual Enrollment Coordinator. Alternatives to dropping courses may be available. **Deadline dates for dropping courses without a coursework grade of "W" occur during the first week of classes.** For students enrolled in a dual enrollment course on the high school's campus, students must submit a *Withdrawal Form* to BRCC's Director of Dual Enrollment within the time frame published on the BRCC Academic Calendar.

### Dual Enrollment Criteria

#### Students must:

- Be in good standing as defined by the high school
- Be eligible to enroll at the college and enrolled in a college course for which dual credit (both college and high school credit) is attempted and recorded on both the student's secondary and postsecondary academic record
- Meet the minimum requirements for course enrollment
  - 2.0 cumulative GPA for general education courses
  - 1.5 cumulative GPA for technical/noncredit courses
  - ACT and college placement scores differ by course (refer to published master syllabus)
- Complete all sections of the paper application
- Complete the online application
- Acquire **all** signatures allowing student to enroll in the course **prior** to the course start date
- Submit all paperwork by published deadlines

\*To continue enrollment in subsequent semesters through this dual enrollment program, student must have successfully completed (earned a college grade A, B, C or P) current dual credit courses. A student who earns less than a "C" or who withdraws/"W" from a course may not enroll/participate in dual enrollment program in following semester. The student may apply for the next academic year.
