

Ascension Catholic Summer Reading Assignment For Students Entering Third Grade

- Students entering the third grade in August are required to read Third Grade Angels by Jerry Spinelli. After reading the book they must complete the attached Book Report form entitled "What's the Scoop?" We will discuss the book in class and students will be tested on the book.
- They must also read one nonfiction book. After reading the nonfiction book they must complete the "Nonfiction Notes" book report attached.
- Assignments must be turned in on **Friday, August 18th**. Each assignment will be counted as a homework grade. The students will also be required to take an **Accelerated Reader Quiz** on both books.
- Below is a list of suggested titles and series of nonfiction books. The students may read a book that is not on the list. However, please make sure it is an Accelerated Reader book as the student must take a quiz on the nonfiction book read. You can go to the Accelerated Reader Website and use the Book Finder to check if it is an AR Book and also the AR level of the book.
